

Guest Testimonial

What an amazing way to start the 2013 CAEM conference at the SCCN. The evening was perfect in every way, from the marching band grand entrance, to the beautifully decorated event space, the Niagara experience, to the magnificent meal and Centerplate's attentive staff – it surpassed all of our expectations! The comments and feedback I've personally received have been nothing but exemplary. We appreciated all the little extras you and the team did to make it a special evening. It was magnificent and magical. Two thumbs up! On behalf of the 2013 CAEM Social Committee, we want to thank you for making us heroes in the eyes of our industry colleagues.”
