

# The UnConventional Experience

MESSAGE FROM KERRY PAINTER, CFE - PRESIDENT & GENERAL MANAGER OF THE NIAGARA CONVENTION & CIVIC CENTRE

Volume 1, Issue 6

December 23, 2009

## President's Message: We will be looking for *you* in 2011!

It's hard to believe another year has gone by. I really must be getting old because as a child I only remember *old people* saying "Where does the time go?" I used to think a weekend was forever and the fall was so long. Here I am saying another New Year is approaching and it seems like just a blink since the last one. With that thought...before you know it the Convention Centre will be open and it will be our First Annual "Festive Sweater Lunch" scheduled for December 15, 2011. Mark your calendar now; we'll be looking for you!

In the meantime, our partners have gathered together this year to photograph them in their festive sweaters. Start looking for your festive sweater at the Boxing day sales and call us if you want to be a part of next year's photo!

## Announcing.....**DESIGN YOUR DAY CONTEST!**

Ten brides will be invited to the Niagara Convention & Civic Centre on October 1st, 2010 to create a wedding cake. The bride, with her team will compete to decorate the winning cake. The cakes will be judged by a panel of experts including Food Network Canada Chef Anna Olson. The bride with the winning cake will design her \$20,000 wedding day! [Click Here](#) for details and to register.

## **BUILDING PROGRESS UPDATE**

Did you know it takes 2,727 bolts for every truss that's hung overhead in the exhibit hall? That's over 30,000 total! If you have yet to log onto our site and see the construction camera you'll be surprisingly delighted at the progress. [Click Here](#) to see our Construction Camera.

For Rental Inquires:
