Niagara Distillers

Dillon's Distillers

Our Vodka and Gin are made from a base of 100% Niagara grapes. Our gin is infused with our recipe of botanicals. Our rye spirit is made from 100% Ontario rye grain. We will not make products that leave you guessing what is inside. Being in the Niagara region gives us amazing access to high quality local fruits and grains to create our products, so we want to show them off.
