

## Guidelines for Film, Photography, Recording and Drones at Niagara Falls Convention Centre

The Niagara Falls Convention Centre in Niagara Falls, Canada, (NFCC) reserves the rights to approve all media requests at Niagara Falls Convention Centre located at 6815 Stanley Avenue, Niagara Falls, Ontario. All requests are to be submitted to the Events Manager and Marketing Department for full approvals.

It is the policy of the Niagara Falls Convention Centre to ensure that filming, photography, recording and drone use on the Centre property is managed according to the regulations of the Niagara Falls Convention Centre and is conducted in such a manner as not to interfere with the enjoyment by visitors or interfere with any ongoing work. Niagara Falls Convention Centre has the authority to deny applications or revoke applications issued to applicants.

By signing below you agree to follow the rules and regulations set forth by Niagara Falls Convention Centre, if there are any questions please contact Britney Conlon, Marketing Manager, at [bconlon@fallsconventions.com](mailto:bconlon@fallsconventions.com) or by phone at 905-357-7014.

Confirm the following:

- I have returned the completed Media Visit Request Form to NFCC management team.
- I have been provided express approval from NFCC management team
- I agree to abide by all Filming and Photography laws and regulations as set forth by the Ontario government.
- I agree that NFCC will have not only viewing rights of all material filmed, but also approval rights before any material is distributed or circulated through any and all mediums.
